

Reflecting on workplace dynamics

Work Discussion Group

Date: Wednesday 8 November, 8pm - 9.30pm

Venue: Friends Meeting House, 120 Heath St, Hampstead, NW3 1DR

Tickets: £10

At the Summer School in September 2017, an interest was expressed for reflection on the dynamics in the workplace from a psychoanalytic perspective. We would therefore like to organise a Work Discussion Group event on Wednesday 8th November for 1.5 hours.

The Work Discussion Group would entail a brief presentation of up to 10-15 minutes of an issue or situation at the workplace that participants would like to reflect on. This would be followed by a group discussion facilitated by a psychoanalyst.

The aim would be to provide an opportunity for the participants to think together in the group about the experience in the workplace, and to reflect on the unconscious processes in the organisation. The discussion will take place in a small group with up to 10 participants.

Places are limited and if you are interested please contact us as soon as possible stating whether you would like to present an issue from your current or past work experience.

Let me know if you might like to come: jan.harvieclark@gmail.com
